

Sample LIFE Group Invitation

You are invited to join our LIFE Group... or at least come to visit, give it a try, and then decide if this is the group for you.

If not, then we hope that you will try one of the other groups and join one of them. We just want you to join in and grow in the Lord.

Our group will be meeting on [day of week here] from __:__ to __:__ AM (or PM), at the [family name] house at XXX000 ANYSTREET, Port Orchard WA.

Your host and lay pastor is _____.

Bring your family and friends. Just let us know when you plan to come.

Thanks,
